Bills and Resolutions.

Simple Resolution No. 14.

Senator Fairchild sent up the following resolution:

By Fairchild:

Whereas, The demands made by the Senate for educational purposes are very heavy, and

Whereas, The source of revenue is not adequate to supply the money needed for the rural schools of the State, and

Whereas, In many instances the terms of said schools are less than six months and they should be nine months in each year, and

Whereas, The records of the Comptroller's office disclose that 5,500 prescription books were furnished the various physicians of the State for the purpose of writing whiskey prescriptions for their patients over the State, and

Whereas, Each prescription book contains 100 prescriptions, making a total of 550,000 prescriptions written by the various doctors writing such prescriptions for their patients over a period of twelve months, beginning January 1, 1926, to and including December 3, 1926, making a total of 550,000 pints sold for medicinal purposes during a period of only one year, and

Whereas, There is now no tax on these liquid goods

Therefore, Be It Resolved, That the Texas Senate go on record as favoring a tax of one dollar on each pint of whiskey sold by the various drug stores handling this special and particular medicine, and further recommend that if, in the opinion of those concerned, this tax is too heavy, the price of said prescription medicine be reduced one dollar on each pint, and that all the revenues derived from this source be appropriated to the schools of Texas. And it is further recommended that the Governor submit to the Legislature for their consideration this particular tax measure at this time.

The resolution was read.

Senator Bailey raised the point of order that the resolution committed the Senate on a measure which should originate in the House.

The Chair, Lieutenant Governor Barry Miller, sustained the point.

El Paso Public Schools

El Paso, Texas

El Paso High School

Office of the Principal.

May 13, 1927.

To Governor Moody, Lieutenant Governor Barry Miller, Hon. R. L. Bobbitt, Speaker of the House, and all members of the Fortieth Legislature.

Ladies and Gentlemen:

I have on my desk a lengthy bulletin addressed to you and signed by R. T. Ellis, Secretary of the Texas State Teachers' Association. Attached to this bulletin is a letter from Mr. Ellis to the effect that I should join him and others in urging you to fight for a minimum appropriation of fifteen dollars per capita.

Permit me to state in answer to this bulletin and this personal appeal that I do not deem it necessary for such a fight to be waged with you at this time as I am perfectly confident that you are going to do everything within your power for the best of the schools of Texas. I consider the bulletin addressed to you altogether out of place and a reflection on your sincerity to do for Texas what should be done educationally.

Yours truly,

(Signed) LYNN B. DAVIS,
Principal of High School.

(Copy.)

To Thomas B. Love, State Senator; John E. Davis, John A. Rawlins, Nathaniel Jacks, George Purl, Ray Holder, and Chas. McCombs—Representatives from Dallas County in the Texas Legislature.

Gentlemen:

The undersigned Dallas County citizens respectfully petition you to

support the enactment by the coming called session of the Legislature of an amendment to the Dallas County Road Law which will require that three-fourths of all the funds, other than the proceeds of the sale of bonds, coming in to the road and bridge fund of Dallas County shall be used in the reconstruction and repair of lateral roads leading in to the cardinal and intermediate roads of the county, until all such lateral roads shall be put in condition reasonably safe for travel in all kinds of weather, similar to the Dallas County Road Law passed by the recent Regular Session of the Legislature and vetoed by the Governor.

We believe that it is only reasonable and fair and just to the Dallas County citizens living on dirt roads, who for many years have been paying taxes to build and maintain the cardinal and intermediate roads and other paved roads of the county, that they should be given this recognition, as we feel that the time has come when it is justly due them.

(Signed) W. P. White, Mrs. W. P. White, J. L. Janes, T. W. Brackett, Mrs. T. W. Brackett, J. F. Crumpley, Jack Andrews, Frank Ellis, D. M. Lander, D. D. Duckworth, F. D. Duckworth, W. A. Wade, W. H. Bailey, H. A. Moser, J. O. Anderson, J. B. Dupree, C. O. Wade, Edd Wade, Mrs. C. C. McDearman, Ed Castiel, Jake Duckworth, G. R. Kearney, Hugh H. Anderson, L. R.
